.. Objecting to new testing and explaining away exculpatory evidence are prosecutorial positions that have gone the way of the dinosaur. In the end, the truth must prevail even if the cruel reality is that an innocent man has spent most of his life in prison.

For the reasons stated herein, the order of the district court denying MacDonald's motion pursuant to the IPA should be reversed.

Respectfully submitted, this 15th day of December, 2015.
